The brush on the roads will slowly be cleaned up over the years. We worked together with Garrison Township to clean up Camp Lake Road, and then we hired out Forest Ridge to be cleaned up. The township is in the process of gaining another employee, he will be starting in April. This should help to get some of the brushing done and give Ed a

chance to retire. Dick Kelby compliments Ed and Rick for the excellent work they do for the township.

19. Elections – Hand Counting Discussion

- Bonnie Orton and Sonya Crocker discuss Hand Counting Election Ballots. They state that the county takes care of mail in ballots. They want to put it back to the way it used to be where the townships are in control of those ballots. They would have the absentee ballots sent to the clerk's office. This decision needs to be decided by May 2024, so they are asking for permission to move forward with this plan. They want to take back the townships' power. Greeting Township Officers and Residents,

As you are planning your township's yearly levy and budget, please consider donating or sponsoring one of the following identified improvements needed at the buildings and grounds at the Crow Wing County Fair of Crow Wing County. A short recap of several of the improvements /projects that have been made this year and the improvements are on hold due to lack of funding.

The floors and foundations of two buildings have been repaired or replaced with a cost figure of \$70,000. Draining issues have been corrected so buildings do not flood during heavy downpours. The majority of building foundations have been painted, the announcer stand in the horse arena has been moved and a new foundation poured creating full visibility of the riders, gutters on fine arts building installed and are there covers on all installed rain gutters

Items that still need to be addressed are:

1. Improvement to the livestock arena by adding all weather curtains and the purchase of new sheep/hog/goat panels.
2. Installation of ventilation fans on the Fine Arts Building to release the summer heat making it tolerable for staff, volunteers, and fairgoers.
3. Installation of security cameras problem- \$13,000.
4. The widening of 2 roll up doors to accommodate wider equipment - \$2400.
5. Sponsors for grandstand and Mills Stage events are needed.

Please note in the memo of your check, the designated item you would like the donation applied and it will be recorded as a restricted donation. If there is no notation in the memo, the funds will be recorded as an addition to the general fund and will be utilized for the general needs of the fair.

Donors or Sponsors will be recognized in the Crow Wing County Fair Book and on a donor sign at the fair entrance acknowledging their support of the 5th largest county fair in Minnesota; Crow Wing County Fair.

Dear Township Leader,

We are writing on behalf of the Cuyuna Range Youth Center (CRYC) to share our heartfelt commitment to the youth of our community — and to ask for your support in sustaining our vital programs.

CRYC welcomes students in grades 4 through 12 from the Crosby-Ironton School District and surrounding areas into a safe, nurturing space where they can learn, grow, and thrive. In our rural community of approximately 450 students, CRYC reaches nearly half each year—many of whom face challenges such as food insecurity, limited supervision, and the risk of falling into negative behaviors.

Our mission at CRYC is simple yet powerful: to provide a stable, encouraging environment that empowers youth to make positive life decisions.

We do this by offering:

- A Safe After-School Haven: Our center provides a supervised space filled with structured activities and caring mentors, helping to prevent the isolation and risks associated with unsupervised time.
- Nutritional Support: A warm meal and healthy snacks are provided daily, easing food insecurity and ensuring our students have the energy they need to focus on their personal growth.
- Holistic Development Programs: From leadership training and character-building workshops to mental health initiatives and financial literacy classes, our programs equip youth with the skills and confidence necessary for a brighter future.
- Community Engagement: Our young participants are also encouraged to give back—volunteering at local events and supporting initiatives that benefit organizations like the Crosby-Ironton Fire Department. In doing so, they learn the importance of community service and develop into responsible, caring citizens.

We believe that investing in our youth is investing in the future of our entire community. With your generous support, CRYC can continue to be the sanctuary where our young people find guidance, encouragement, and the opportunity to become the leaders of tomorrow.

We are asking your township to consider a financial contribution or any form of support that can help us maintain our youth center. Your commitment to our community will not only make a profound difference in the lives of our students but will also help build a more resilient and vibrant future for everyone.

Thank you for your time, consideration, and ongoing dedication to area youth.

Best regards,

Cuyuna Range Youth Center

Subject : Request for March 11th Meeting

Greetings to you from the staff, board, and volunteers of Family Pathways. With the Annual Township meetings coming up on March 11th, this letter is a request for consideration of a contract for services agreement from your township.

Building good health, safety, and stability for local families experiencing economic hardship or intimate violence is what we do. **We do this through 9 food shelves, mobile food pantry, doorstep food delivery, support for seniors and caregivers, parenting time, and domestic violence and sexual assault shelter and advocacy.** The Family Pathways thrift stores provide 55% of operating revenue, the rest comes from community donations and grants.

When a community invests in Family Pathways; you not only strengthen current services but help us dream bigger. In the upcoming years we want to:

- Expand access to healthy food to those in need in our communities
- Grow our Domestic Violence programs
- Expand access to our Aging Services

The passion and care of people like you inspires us daily, and we hope we make you proud with how we use these funds to benefit local families in need who rely on your generosity. I have attached to this email a breakdown of our services in Mille Lacs County by Township as well as a contract for service agreement. If your township would like a representative to come speak on the 11th please let us know the time and we will try to make that happen. If you have any questions or need more information, please reach out!

Thank you for your consideration.

Hi all-

I am sending this donation request for your upcoming annual meeting. We thank you for considering a donation to the Mille Lacs Area Foundation and Health System. As you may recall we were fundraising for a new ambulance last year and it will be here finally in the next couple weeks! Meanwhile, they have had to order another one as it takes so long to get one customized to our needs. SO... our 2025 goal is again, all things Ambulance!

I have attached our Ambulance information for the Board and meeting attendees.
