6. Road & Equipment Report:
 - Equipment: No issues, wings are put back on grader and plow truck.
 - Roads: Butch Smude said \$3.00/yard for his rock and Hard Rock Crushing is \$3.50/yard to crush the rock. He has room for storage. It would be \$6.50/yard. We will think about it. Butch will crush mid summer.
7. Garrison Township – Camp Lake Road, nothing needs to be said.
8. North Platte Lake Road – The road looks good to us, may be some debris in the swamp, however not really Eds responsibility to call a wood chipper when a tree branch goes on the road. The puddle was fine today when checked. There is nothing that we will do about this, we will not pay to fix this.
9. Open Forum:
 - Paying in the bonds, lets get all the numbers put together for Decembers meeting.
 - Speed bump on Cooley Drive East - It is not a speed bump, maybe from the cement culvert. This summer they are redoing the road and it will be resolved then.

Other Information:

None
